UTP3305 DC Power Supply

UTP3300 series 3-channel linear DC power supplies feature low ripple/noise, constant voltage/current, over load protection, parallel/series, and output on/off control.

| General Functions | | | |
|-------------------|---------|------------|----------|
| Model | UTP3305 | | |
| Channels | CH1 | CH2 | CH3 |
| Output Voltage | 0~32V | | 5V Fixed |
| Output Current | 0~5A | | 5A Max |
| Series Tracking | 0~64V | | - |
| Parallel Tracking | 0~10A | | - |
| Load Regulation | Voltage | ≤0.01%+3mV | ≤3%+5mV |
| | Current | ≤0.2%+3mA | - |
| Power Regulation | Voltage | ≤0.01%+3mV | 5mV |
| | Current | ≤0.1%+3mA | - |

| | | | |
|--------------------------------|------------------|---|-------------------|
| Noise | Voltage | ≤1mVrms | ≤2mVrms |
| | Current | ≤3mArms | - |
| Tracking Operation (CH1, CH2) | | | |
| Tracking Bias | Power Regulation | Load Regulation | Noise |
| ≤0.5%+10mV(CH1) | ≤0.01%+5mV | ≤300mV | ≤2mVrms, 5Hz~1MHz |
| Display Accuracy | | ±1%rdg+2digits | |
| Working Temperature | | 0°C~ 40°C | |
| Constancy (MTBF) | | ≥2000hrs | |
| General Characteristics | | | |
| Power Supply | | Input voltage: 220VAC/110VA; Frequency: 50Hz/60Hz | |
| Product Color | | White and grey | |
| Product Weight | | About 9kg | |
| Product Size (W×H×D) | | 260mm × 176mm × 317mm | |
| Standard Accessories | | National standard power cord, output leads | |
| Standard Package | | Gift box, user manual | |
| Standard Package Quantity | | 1pcs | |
| Standard Package Size (W×H×D) | | 430mm × 400mm × 255mm | |
| Standard Package Gross Weight | | 10kg | |
