### Product Description

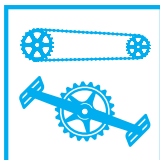

#### ✔ CLEANS ✔ PROTECTS ✔ LUBRICATES

Q-BIKE DRY LUBRICANT is a long-lasting lubricant specially formulated to clean, lubricate and protect bicycle chains. Designed to repel dirt, extend drivetrain life, reduce chain noise and improve performance by reducing friction.

Q-BIKE DRY LUBRICANT is a biodegradable, water-wax based emulsion.

Available in 15 ml and 115 ml bottles

### Ideal Usage

### Application of Product

**Directions:**

Shake well before application. Clean chain to remove previous products and allow to dry. Apply to the inside of the chain using the extended nozzle while the crank is slowly turned. Apply at least ½ an hour before riding and allow Q-BIKE DRY LUBRICANT to dry. Do not wipe off. Application can be repeated for enhanced performance.

### Test Results/Approvals/Certificates

N/A

### Safety Data Sheet Summary

If ingested, seek medical advice, do not induce vomiting. In case of eye contact, wash with lukewarm water. Keep out of reach of children. Store between 5-35°C. Do not allow to freeze.
