

CT120

Features

:

- Great for short distance connection
- Simply & Professional appearance for cabling
- Easier for CCTV camera installation, save time and money
- Easy to use, No splicing, no crimping, only a small screw driver

Specifications

- Connectors : Terminal block, Male BNC
- Material : Zinc Alloy + Plastic
- Temperature range : - 40~ +155
- Insulation resistance : $\geq 5000M\Omega$
- Character impedance : BNC-50 Ω ; Terminal block-100 Ω
- Frequency range : 0~3GHZ
- Disengage force : $\geq 0.6N$
- Contact resistance : Center conductor $\leq 1.5m\Omega$; outer conductor $\leq 1m\Omega$
- Durability : ≥ 500 insertions
- Size : 42.2*14*14mm
- Net Weight : 12g/piece
