

## CT121

- Features** :
- Great for short distance connection
  - Simply & Professional appearance for cabling
  - Easier for CCTV camera installation, save time and money
  - Easy to use, No splicing, no crimping, only a small screw driver

- Specifications** :
- Connectors: Terminal block, Female BNC
  - Material: Zinc Alloy + Plastic
  - Temperature range: - 40~ +155
  - Insulation resistance:  $\geq 5000M\Omega$
  - Character impedance: BNC-50 $\Omega$ ; Terminal block-100 $\Omega$
  - Frequency range: 0~3GHZ

- Disengage force :  $\geq 0.6N$
- Contact resistance : center conductor  $\leq 1.5m\Omega$ ; outer conductor  $\leq 1m\Omega$
- Durability :  $\geq 500$  insertions
- Size : 42\*15.5\*15.5mm
- Net Weight : 11g/piece
