DC shunt fL-2 type 200A ammeter with precision shunt B grade 75mv high precision

Model: FL-2 Series

- Type DC shunt
- Current measurement
- Material brass
- Shape rectangular bar
- Allowable deviation $\pm 0.5\%$
- 200A = $0.375m\Omega$
- Temperature coefficient PTC
- Rated Current 200A
- Power characteristics, low power
- Weight 142g
