

Technical drawing of a shaft assembly showing dimensions and tolerances:

- Total length: L
- Shaft diameter at left end: $\varnothing 10^{+0}_{-0.015}$
- Distance from left end to first step: 15
- First step diameter: M12X1
- Distance between steps: 39
- Second step diameter: $\varnothing 12^{+0}_{-0.018}$
- Material specification: BK12
- Third step diameter: 1604/1605/1610
- Fourth step diameter: $\varnothing 48$
- Fifth step diameter: $\varnothing 28^{+0.005}_{-0.01}$
- Sixth step diameter: 1.15X0.2
- Seventh step diameter: $\varnothing 10^{+0}_{-0.015}$
- Distances from right end: 11, 8, 42
